Description of the terrains

Description of terrains and vegetation (including altitude above sea level):

Long – 1:15.000

(1400-2000m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mainly coniferous woods with good visibility. Plenty of rock and contour details. Mixed runnability.

Middle – 1:10.000

(1400-1600m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mainly coniferous woods with visibility from good to poor. Plenty of rock and contour details. Mixed runnability from good to slow (due to undergrowth and rocky terrain).

Relay - 1:10.000

(1000-1300m asl) Alpine terrain with both steep and gently rolling, cropped pasture land. Mixed coniferous woods with varied visibility. Plenty of rock and contour details. Mixed runnability from fast to slow.

Sprint - 1:5.000

(6500-700m asl) Urban area with two small parks, fields and wooded slopes. Broad leaf woodland with fair visibility. Many man made features and little contour detail. Very good to excellent runnability
